Tom Stanger

CHS Class of 1968 Scholarship

Dear Mr. Stanger,

I do not believe that I can express in words how grateful I am to you for awarding me with this scholarship. I know, just from the service and dedication you are giving to Clearfield High through this scholarship donation, that you really do bleed green and care about the future of the school and its students. Now that I am graduated and am headed off to complete the next challenge through the Journey of Life, I too want to contribute, as you have done, to making student at CHS realize that they can achieve greatness. I wish to follow in your footsteps and help others to make their dreams come true.

I want you to know that this scholarship will be used wisely and that it really is helping me to achieve the dreams I wish to achieve. Someday, I will be the person helping others and you will be one of the wonderful people that I will thank. I will be attending school in the fall at the University of Utah and will be one of twenty students who will have the privilege to learn in the first liberal arts setting in Utah. This program, Early Assurance, will not only provide a state of the art education but will also give me guaranteed acceptance into graduate school. Your donation will be used to help get me there. Thank you so very much for making such a large difference in my life.

All of the best wishes! Go FALCONS!!!

Appreciatively,

Tianna Tu
